

QUALITY POLICY

Towards our vision, the following are among our prioritized quality targets:

- To greet our guests at the highest level and be a leading organization in the industry,
- To prepare and continuously improve our foundation philosophy with all our staff and to provide a service that exceeds the trust to the workplace and expectations of our guests,
- To provide service in compliance with national and international legislations and conditions and by showing necessary sensitivity with an approach for preventing food safety risks,
- To be a model enterprise to all other organizations in our country and create a value,
- To minimize all risks that may endanger the health, lives, and occupational safety of our guests and staff and to prevent such accidents,
- To make quality measurable, to ensure continuous improvement of the system and ensure the unity of our employees and management by setting targets,
- To create an environmental awareness together with hotel's management and staff and leave a cleaner, healthier and safer environment to future generations.
